

## WELCOME TO THE EATLOVE PROGRAM THROUGH THE NUTRITION PROFESSIONALS!

We will be here every step of the way to help with Guiding a Healthier You as we introduce an effective meal plan through EatLove.

### HOW DOES IT WORK?

(For Bronze, Silver, & Platinum packages)

1. During the Initial Assessment, the Registered Dietitian will set up and invite you to the EatLove App.
2. Directly following the Initial Assessment, you will be welcomed to meet with our Diet Tech for a 30-minute continued appointment to set up the app according to your preferences, and help assist you to get familiar with navigating through the app.

(For Silver and Platinum packages)

3. You will be provided contact information to speak directly with Diet Techs regarding your meal plan.

(For Platinum packages only)

4. You will be scheduled for consecutive monthly appointments with the Registered Dietitian.
5. If you have opted into the Incentive Program, you will have the chance to be entered into the quarterly drawing by your dietitian to qualify for Patient of the Month, as well as be entered into a separate quarterly raffle to win prizes! Notifications will be sent via email.
